An application form for commercial and recreational seafood licenses may be requested by contacting a Divisional office at the numbers above. Prior to purchasing a live bait dealer license, the person's boat, truck, and/or place of business must be inspected. Resident commercial licenses may be purchased at Marine Resource Division offices in Gulf Shores and Dauphin Island or at the Bayou La Batre City Hall. Nonresident commercial licenses may be purchased at either Division office. There is no application form for recreational saltwater fishing licenses. Interested parties may contact Marine Resources for additional information. A valid social security number and date of birth/incorporation is required for all license purchases.

The Alabama Legislature passed into law Act 95-287 which changes the law with regard to eligibility to purchase a commercial gill net license in 1995 and subsequent years. In order to qualify to purchase a license, the applicant must show that he:

- purchased a license in two of five years during the years 1989 to 1993 and provide proof in the form of original, unamended income tax returns that at least 50% of his income was derived from the capture and sale of seafood species (commercial fishing), or
- that he purchased a license in each of the years 1989 to 1993 and paid his applicable Alabama income taxes in each of the years 1989 to 1993.

Live bait dealer licenses may be purchased only from the Dauphin Island office.
